

## **Jude vv. 22-23**

### *To the Rescue!*

1. Jude describes \_\_\_\_\_ different kinds of people who need spiritual help: The \_\_\_\_\_, the \_\_\_\_\_, and the \_\_\_\_\_.
2. The DOUBTING are those who are \_\_\_\_\_.
3. These people are converted but \_\_\_\_\_ (I Peter 2:14). They are not \_\_\_\_\_ in the faith.
4. Roots are \_\_\_\_\_ to a believer's survival (Matt. 13:5-6). As the \_\_\_\_\_ grow, so does our \_\_\_\_\_ in God (Col. 2:7, Psalm 1:1-3, Prov. 12:12).
5. Our responsibility is to have \_\_\_\_\_ on them, show \_\_\_\_\_ towards them, and seek to lead them \_\_\_\_\_ from the influences of the apostates.
6. Refuting \_\_\_\_\_ doctrine is only one part of the remedy. The young believer must be assured with warm \_\_\_\_\_ that he is genuinely \_\_\_\_\_ for.
7. Draw them \_\_\_\_\_ from false teachers by magnifying all that they \_\_\_\_\_ in Christ and by sharing His \_\_\_\_\_ for them in \_\_\_\_\_ ways.
8. False teachers prey especially on \_\_\_\_\_ church members (v. 16).
9. It is important that the pastor and the people show special \_\_\_\_\_ and \_\_\_\_\_ to new Christians while also ministering to the \_\_\_\_\_ members of the church, lest somebody stray because of \_\_\_\_\_.
10. Every young Christian \_\_\_\_\_ a more mature believer to teach him how to \_\_\_\_\_ and \_\_\_\_\_ (Titus 2:2-8).
11. The BURNING are those who have \_\_\_\_\_ the fellowship and are now a part of an \_\_\_\_\_ group.
12. Our responsibility is to \_\_\_\_\_ them out of the fire.
13. The \_\_\_\_\_ took Lot by the hand and \_\_\_\_\_ him out of Sodom (Gen. 19:16).

14. Sometimes we need to do the same to rescue \_\_\_\_\_ and \_\_\_\_\_ believers from the \_\_\_\_\_ of false teachers.
15. In Zechariah 3:2, the “stick” was the nation \_\_\_\_\_ which was brought back from the Babylonian Captivity and \_\_\_\_\_ in their land. God saw the people as a stick \_\_\_\_\_ from the fire.
16. In Amos 4:11 God was reproofing the people for not heeding His \_\_\_\_\_ and \_\_\_\_\_ —poverty, poor crops, drought, pestilences, war, and even judgments like those that overthrew Sodom and Gomorrah. They were as a stick \_\_\_\_\_ out of the fire, yet they did not appreciate God’s \_\_\_\_\_.
17. The DANGEROUS: Their rescue requires great \_\_\_\_\_.
18. In trying to \_\_\_\_\_ those who have erred, we must be careful not to be \_\_\_\_\_ ourselves! Many a would-be rescuer has been \_\_\_\_\_ himself.
19. When an unstable believer has been \_\_\_\_\_ by false doctrine, we must be very \_\_\_\_\_ as we try to help him, for Satan can use him to \_\_\_\_\_ us. In trying to save him, we may be \_\_\_\_\_ or \_\_\_\_\_ ourselves!
20. “Stronger” believers must never think they are beyond satanic \_\_\_\_\_.
21. We certainly must \_\_\_\_\_ God’s people, but we must also \_\_\_\_\_ sin. Wherever there is sin, Satan has a \_\_\_\_\_ and can go to \_\_\_\_\_.
22. Defilement spreads \_\_\_\_\_ and \_\_\_\_\_, and it must be dealt with drastically. If the Jewish priest thought that a garment was \_\_\_\_\_ with leprosy, he had the garment \_\_\_\_\_.
23. It takes a good knowledge of the \_\_\_\_\_, a faithful \_\_\_\_\_ with God, an understanding of Satan’s \_\_\_\_\_, the fullness of the \_\_\_\_\_ of God, and spiritual \_\_\_\_\_ to rescue those who have already entered the \_\_\_\_\_ zone.
