WHO CAN COME TO THE SALT SPRING SYMPOSIUM

ALL ARE WELCOME

NO EXPERIENCE NEEDED

This Salt Spring Symposium is a time for
reflection and regeneration.

Dr. Crossan is the founder of the Jesus
Seminar and the foremost New Testament
Scholar in North America at this time. He
will take us through an exploration how the
God of the bible has been used to condone
or even promote violence. His skill as a
writer and lecturer is to make complex ideas
and symbols accessible to a lay audience.

While our focus is on the two days with Dr.
Crossan, you will see there are two other
days designed to give islanders and those
visiting Salt Spring Island, a taste of other
aspects of our life: how to find peace in the
storms through which we all pass and how
to create peace and reconciliation with our
brothers and sisters from the First Nations
who have always cared for these lands.

Dr. Crossan will speak 4 times during the
two days with one of those being the
keynote address. We will have his books and
resources for sale throughout the
symposium.

Costs: \$99 for everything in the 2 days

Group rates available: 5 or more: \$90
