Blessing House - Chiangrai Church Organization

Last week of August we had attended the church organization of Blessing House Baptist Church in Chiangrai north of Thailand. It was started by a local Pastor Worachai Pawakul. This was one of the two ministries in the north of Thailand. Our TFFMI group were all present on that day. We had a very good fellowship with each other in sharing a thoughts with regards to evangelism and church planting. This ministry is reaching the Akha Tribe where many Akhas lived in the vicinity of the church. i very thankful that i had been part of this ministry in the north of Thailand. Please help us pray for establishing a training center so that many of them will get trained for the furtherance of the gospel.

FREE ENGLISH CLASS

We do continue our ministry of teaching free English classes to our contact school at the temple nearby of our outreach in Ayutthaya province. This is located at the vicinity of the Buddhist temple. It is a privilege to bring Pastor Pru Jarales and his family to see our

ministry to the Thai kids. Her daughter Mica taught the kids, she really enjoyed teaching them in doing conversation. We also give school supply for the students and also we feed them snacks at the end of the class.

SATURDAY

Soulwinning Marathon

>>> & Tracks Distribution

Our dedicated group of soulwinners is reaching out the Thai Buddhist people, sharing the message of salvation, hope, and love to them. Every Saturday, we come together for a soulwinning marathon that transcends language and culture, uniting us in a common mission stated in Matthew 28:19-20. The Thai people have a unique spiritual needs, and our group is committed to make a positive impact for their lives. These weekly encounters take place at a park supermarket and mall giving them gospel track, inviting them to our Sunday service and witnessing to them about the love of Jesus and the free gift of salvation.

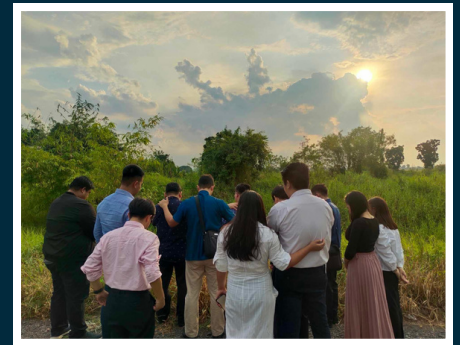

>>> SHARING THE GOSPEL

Last September, one of my friend took part in the Dragon Boat Racing World competition in Siratcha, Chonburi. After the event, the team went back to the hotel. My friend invited all the team to hear the Word of God before they eat dinner. Pastor Jireh Nono and I had a privilege of sharing the gift of salvation through Jesus Christ our Lord and Savior. Remarkably, more than 50 individuals professed their faith during this profound experience. To God be the glory.

God has bestowed blessings upon our fellow brethren who are engaged in our Ayutthaya outreach. We are continually enriched by their inspiring testimonies and their spiritual growth and maturity through their diligent study of the Bible and their unwavering demonstration of faith as devoted children of God.

>>> AYUTTHAYA EXTENSION

>>> AYUTTHAYA CHURCH LOT PROJECT

In Ayutthaya province, we are fervently praying for a church property to provide a dedicated space for our growing congregation. Our vision is to build a place of worship that will serve as a spiritual haven for our brethren. Your support and prayers are invaluable as we embark on this journey to nurture our faith to prove that God is our great supplier. God can and He will.

>>> EVERY SUNDAY WORSHIP CONGREGATION

We are delighted to share that our primary church in Nonthaburi, Thailand, is currently in a phase of significant expansion. As our congregation continues to grow, we are in the process of actively seeking a new place of worship adjacent to our existing church. This new space will allow us to better serve our community and create a more accommodating environment for our members. Your invaluable prayers and support are essential as we embark on this endeavor. Together, we aim to strengthen our faith and enhance our outreach, fostering a more inclusive and welcoming atmosphere for all who seek spiritual enrichment.
