

Looking for a way to celebrate 150 years of Canada that acknowledges the full human history of this part of the world?

RECONCILIATION CIRCLE & BLANKET EXERCISE

Saturday, June 24, 10:00-1:00

Roberts Creek School Gym

Scheduled to fall between National Aboriginal Day (June 21) and Canada Day (July 1), this experiential event will give participants the opportunity to process our shared history on both intellectual and emotional levels.

The morning will take the form of the KAIROS "Blanket Exercise" led by experienced local Facilitators with a Circle Dialogue debrief to follow. The event will be witnessed by members of the shishalh and Skwxwú7mesh Nation.

Detailed information can be found here: <https://www.kairosblanketexercise.org>

Following the event a meal will be shared.

- dress for indoor/outdoor spaces
- bring potluck picnic dish + personal utensils/plate
- accompanied children age 11+ welcome

The opportunity is open to all Sunshine Coasters, and acknowledges the location of our home on both shishálh and Skwxwú7mesh territory.

No cost, but advance registration is needed for the Facilitation Team to organize.
