

ILLUMINATE GALA

PLACE: *St. Faith's Anglican Church*

DATE: *Friday, November 25th, 2022*

TIME: *7PM until 9PM*

The ILLUMINATE Gala is St. Hildegard's Sanctuary's main annual fundraising event, and has been highly lauded and greatly enjoyed. This year we delighted to once again be able to gather in person for this pre-Advent event.

The evening showcases performances and art by community members and long-standing friends of St. Hildegard's Sanctuary. This year we are graced to have as our featured performing artist the exquisite Clare Morgan, Celtic harpist and vocalist. Clare's music is gracious and evocative - and sure to delight.
