## VANCOUVER SCHOOL OF THEOLOGY **EXPLORER'S WEEKEND**

Are you feeling a call to engage your faith more deeply?  
Do you want to know how a theological degree might influence your life?  
Are you ready to say yes to God?

SIGN UP FOR VST EXPLORER'S WEEKEND MARCH 14TH - 16TH, 2019

**The student experience is yours for the taking!**  
During the weekend you will attend class and worship; you will interact with current students, faculty and community leaders; and you will have time for personal discernment.

As part of the weekend you will attend, for free, the annual VST G. Peter Kaye lecture series. This year's special guest is Scottish minister and hymn writer, John Bell, from the Iona community.

Choose to take the next step in your discernment and register for this event. All accommodations and meals – along with some funding towards travel if needed – will be paid for by VST. **We want you here!** And, if you apply while on the weekend your application fee will be waived.

Please contact Julie Lees for more information and to register.
