

Dan's Legacy: Community Dinner Fundraiser

Saturday, August 27th at 5:00pm

St. Barnabas Community Hall
1010 5th Avenue New Westminster

It's been 10 years since Dan Snook passed away but he hasn't been forgotten. On August 27th we will be having a Community Dinner Fundraiser to celebrate Dan's Legacy, the non-profit founded in his memory.

At Dan's Legacy, we raise funds to provide counselling and lifeskills to youth in our community who are battling with depression, anxiety and addiction issues resulting from childhood abuse and trauma. We also support these youth and hundreds of others within our community with surplus food on a weekly basis, because you cannot counsel someone who is hungry. The community dinner will be created from the surplus foods generously donated by the Save-On Foods stores of New Westminster.

We look forward to seeing you at the Community Dinner Fundraiser on August 27th. If you cannot attend but would like to support Dan's Legacy please visit **www.danslegacy.com**.

Thank you for your support.

Tickets \$25 per adult; children under 12 with parents free.

Sponsor a table of 10 for \$250.00.

There will be entertainment for the kids and adults.

Tickets available at tom@danslegacy.com or by calling 604-999-9136.
