

Science Meets the Virgin Birth: Solving the Mystery of the Miracle?

Examining a sacred story through the lens of modern science can be both illuminating and disappointing.

To understand a two-thousand-year-old miracle story, it helps to appreciate the science of that day.

Saturday January 9th at 7:00pm

Speaker: The Rev. Dr. Barbara Smith-Moran, Episcopal Priest and Scientist
(Johns Hopkins and Harvard graduate, member of the Society of Ordained Scientists)

St. Philip's
Anglican Church

3737 West 27th Avenue,
Vancouver, British Columbia,
