

Every other year when the Synod of the Diocese of New Westminster meets, members of Synod vote to support outstanding, relevant local Anglican outreach and service ministries within the Diocese with a collective giving program.

This program is called **care + share**

The fundraising and administrative costs of this program are included in the diocesan budget therefore, 100% of the funds given to care + share by individuals and parishes are received by the designated ministries.

2016 – 2017 care + share recipients are:

The St. Paul's Advocacy Office and Homeless Outreach Program

The Community Support Ministry Collaboration Project: Hudson Street Hub & Kerrisdale-Marpole Community Pastoral Resource Centre

Donations may be directed to both ministries or to individual agencies in any combination or amount. You may give to care+share through your parish stewardship program or as an individual. You may also give to care+share through the "Give" page on the diocesan website www.vancouver.anglican.ca.

God is able to provide you with every blessing in abundance, so that by always having enough of everything, you may share abundantly in every good work.

2 Corinthians 9.8

care + share

the cost of
not giving is
far greater

An initiative of the  Bishop's Fund for Local Mission

THE ST. PAUL'S ADVOCACY
Office and Homeless Outreach Program

(St. Paul, Vancouver)

The Advocacy Office at St Paul's provides support to individuals in the community through information, advice, guidance and encouragement and to advocate for individuals in regard to their rights to access government and other services. The Homeless Outreach Program extends the work of the Advocacy Office directly onto the street with the numerous homeless in our community. The primary goal of the Outreach Program is to accompany people who are currently homeless through the process and transition to housing and beyond.

THE COMMUNITY SUPPORT MINISTRY COLLABORATION PROJECT:
Hudson Street Hub & Kerrisdale-Marpole Community Pastoral Resource Centre

(St. Augustine, Vancouver & St. Faith, Vancouver)

The Community Support Ministry Collaboration is an effort to bring together the work of the Community Pastoral Resource Centre at St. Faith and the work of the Hudson Street Hub at St. Augustine which both work in partnership with numerous community groups to provide services and goods to vulnerable people on the west side and in the south of Vancouver. The Pastoral Resource Centre focuses primarily on advocacy and warm referrals to the appropriate resources for housing, food, community health and well-being. The Hudson Street Hub offers low cost clothing and goods, hosts a Food Bank depot, offers three community meals a week, hosts recreation/socialization programs, and provides workshops and clinics related to the daily needs of people in need

"By bearing witness to each person's story, holding them in prayer and seeking to support them, we are committed to sharing God's love and hope with the most vulnerable members of our community; to uphold them as they seek to live with the dignity that is the right of every human being."
