

Hope Community Church

Phil and Karen Lundberg Memorial Scholarship Fund

Revised: Dec. 22, 2023 for Academic Year 2024-25

The Phil and Karen Lundberg Memorial Scholarship Fund (PKL Fund) replaces the former Hope Community Church (HCC) Missions Education Fund. The purpose of this scholarship fund is to provide financial assistance to post-secondary (i.e., college) students from our church body and children of Missionary families directly supported by Hope Community Church.

Phil and Karen Lundberg—life-long members of HCC—had a life-long missions focus, both internationally and locally, as well as a love for bringing up children in the way of the Lord. Thus, it is fitting to associate their names with this fund.

Fund Purpose & Eligibility

The purpose of this scholarship fund is to provide financial assistance and encouragement to post-secondary students from the HCC church body or children (Missions Kids aka MKs) of Missionary families directly supported by Hope Community Church. The PKL Fund is intended to be a dedicated (Restricted Use) fund that will be separate from the annual HCC General Fund (Budget). The scholarship is intended to be funded by Individuals contributing designated funds and general revenue (budget) funds allocated by the HCC Leadership Team at the end of each budget year. (Example: At the end of a fiscal year, HCC may end up with a surplus of \$8,000 of which the Leadership Team may choose to transfer \$2,000 to the PKL Fund.)

The fund goal is to obtain—over time-- a baseline of \$20,000 funded as explained above. The goal of \$20,000 is not a requirement for awarding a scholarship and has no bearing on award amounts. Total dollar value of awards each calendar year is determined by the Scholarship Evaluation Committee. There is no requirement to award scholarships every calendar year.

Eligible Applicants

Eligible applicants—regardless of location--will have graduated – or will be graduating - from a K12 high school (or equivalent) and are pursuing post-secondary education in the form of college, community college, trade or vocational school, or apprentice positions. Applicants must apply for each academic year with a limit of four applications by an applicant.

Applicants from Missionary families directly supported by Hope Community Church are eligible regardless of the student's post-secondary curriculum or major or post-graduation career goal. Missionaries in the field face many challenges when it comes to planning for their children's post-secondary education. The eligibility of their children is a tangible way for HCC to come alongside these families in a meaningful way.

Applicants from HCC families (HCC members and “regular attenders”) must demonstrate a heart for Missions and desire to pursue Missions field work or Vocational Ministry (domestic or internationally). Applicants must be working on course work that includes theological education or specific individual goals that have relevancy to full or part-time evangelical ministry after graduation. The area of Missions that the applicant is pursuing must be in alignment with the doctrines of the Evangelical Free Church of America and Hope Community Church.

Applicants do not need to have a declared major such as “Missions” since a Missionary is not a specific occupation. For example, at Trinity Western University, there is no major in “Missions,” only a minor. Students pick up the major of their choice to combine with their minor to get prepared for entering the Missions field. (As an example, IT Support as a major can provide a great opportunity to enter vocational ministry.)

Scholarship Award Amounts

- Two award categories: Missions Kids and HCC Students.
- Each award category is eligible for a 1st Place and 2nd Place award amount TBD each academic year.
 - > 1st Place Award: Up to \$2,000 (USD)
 - > 2nd Place Award: Up to \$1,000 (USD)
- Scholarship awards are determined by evaluation of quality and substance of applications with consideration of circumstances and need.
- The Scholarship Evaluation Committee has discretion and flexibility with recommending awards.
