

PRESS RELEASE - FOR IMMEDIATE RELEASE – APRIL 2016

SINGER SONGWRITER CATHY AJ HARDY RELEASES NEW INSPIRATIONAL ALBUM

Cathy AJ Hardy, deeply connected to the land of the Fraser Valley of BC, releasing her much anticipated 5th album, ***And I Heard the Sound of Laughter – Songs of the Divine Embrace***. Cathy's voice leads the listener into an experience of soulfulness, healing and inspiration. This recording features 11 original songs expressing Cathy's soul journey as well as songs for the collective voice, inspired by the music of Iona and Taize. Cathy's previous recordings have been nominated for several Gospel Music Awards and all albums have been produced by award winning producer, Philip Janz.

“Cathy Hardy's new release ‘And I Heard the Sound of Laughter’ is part autobiography, part worship and part confession. It's a beautiful musical story of Divine Love finding her, and her finding Divine Love in the most innocuous and commonplace pleasures: laughter. The songs rise and fall from exuberant exultation to quiet, meditative reflection. The purity of her voice and Phil Janz's sympathetic production yield us a sonic and spiritual pleasure that is engaging and refreshing.”
