## ZION MINISTRY

God is working through American Lutheran Church all around the world! Pastor Ravi of Zion Ministry in India shared with us that due to our Benevolence giving, lives are being changed! Widows, orphans, and children received new clothes and they performed a baptism! Thank you for your continuous giving and support. Our God does indeed reign!

## JOIN US IN THE C NOTE CHALLENGE!

Homemade Soups in a Jar will be available for purchase February 4th and 11th in the Narthex. There will be an assortment of 6 delicious soups from which to choose. These colorful and tasty soups will be labeled with instructions and vacuum sealed to last a year or more until opened. This project was initiated by the "C-Note Challenge" issued by Pastor Mark. The proceeds will be going to the Agape House of Prescott, a local example of everyday discipleship. Let's do all we can to support the lifting up and rebuilding of families.

## HOW TO REACT!

Safety sense tells us not to ignore alarms – especially a fire alarm or smoke detector. If you hear an alarm activated – Immediately begin to evacuate the area. Help others if they need it. Gather outside and do not return until an “All Clear” has been given. Do not assume any alarm is “false or accidental.” Remember, Fire personnel and equipment will be responding. Give them room to stage their units and investigate the trouble.

## SCOUT SUNDAY

Sunday, February 4th scouts and adult leaders will participate in worship at American Lutheran Church, offer an opportunity to talk about scouting, and thank you for your support. Also, scouts will be collecting food for the local food bank. Please consider a non-perishable food item to donate.

## BATHROOM DEMO

We are so excited to have accomplished one of the bigger Capital Improvements of the year before Christmas Eve! A HUGE thank you is in order for the R&R guys who did all the demo work, saving the church thousands of dollars! We hope you love the finished product as much as we do!
