

Dear Applicant,

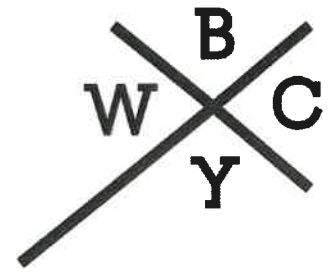

Serve is an incredible opportunity for WBC Youth to come together with other youth from our denomination in Western Canada. Joining other students to serve the community of Prince Albert, SK. This will be a chance for you to grow as an individual and in your relationship with Jesus. As a group we will have many chances to build relationships, worship, learn, be challenged, serve other people, have fun, and see a new part of Canada.

Before applying, I want you to seriously consider why you want to come, and what it is you hope to get out of this experience. I am asking you to answer some simple questions, because I want you to have ownership and investment in the whole experience. As you consider your responses, be honest with yourself, your parents, and with me. Whatever your reasoning, you will experience the most growth if you approach this opportunity honestly. If you have participated in Serve before, think through those years and ask God where you can grow in another new experience. I look forward to this journey alongside you, and can't wait to get to know you better.

Being a part of the Serve 2024 team requires a financial commitment, and mandatory participation in fundraising, team building and Church efforts. This team building work prepares us for our week together, and also enables the entire team to go. The cost should not prevent anyone from participating, and that is why we work together as a team to raise support together.

Much Love,

Tash Ingram
