Vision from the Elders

We are in the business of life changes. It is our prayer and hope that through worship, church community, encouragement, and engaging our neighbors we will be God's hands and feet as He opens the doors for us to share the Gospel and become more like Jesus.

We Are Family!

I Didn't Want To Do It

By Michael Orr

I didn't want to do it, that's the thought I had one day,
Discomfort made me want to quit and go another way.
But the thing I knew I should be doing always leads me to it,
The place where I'm convicted that I really ought to do it.

I didn't want to do it, but my Savior kept insisting,
His love for others pushes me, yet finds me still resisting.
But when I think of all He's done, it helps me struggle through it,
Until I find the courage that I need to go and do it.

I didn't want to do it, and it never seems to cease.
For the more my faith is stretched and grown, the more it must increase
I cannot stand on old belief, each day I must renew it,
Whatever good I see to do, today I'm called to do it.

I didn't want to do it, but I did it in the end,
For Jesus is my only way, and to His will I bend.
And someday soon I'll see his face, then maybe I can view it,
The things that Jesus did through me because He helped me do it.
