BLANKET 4KIDS

Blankets 4 Kids is planning a trip to Gallup, NM to deliver blankets to the Navajo adults and children that live on the reservation this March. Let's help them out!

Christmas at the Yavapai Food Band for 4 days went off without a hitch. Thanks to you and the community, we gave out approximately 1200 items.

OUR NEW CHURCH APP!

<https://americanlutheran.churchcenter.com/setup>

If you haven't already, we encourage you to download our new app. The app has so many resources that we know will be an asset to our church. We hope to start taking attendance with the app whether you are watching at home or in person. This will allow our pastors to track the health of the congregation, hopefully preventing people from falling through the cracks. Other resources available in the app are upcoming events, submitting prayer requests, and setting up online, reoccurring giving. We hope to make other features available in the coming months, but we are already so excited to connect with you in this way! Scan the QR code to download, or if you need some assistance, Abbie in the office would be happy to sit down with you and help! You can email her at info@americanlutheran.net

A reminder as we start to experience more winter weather, Mondays-Fridays, ALC goes off the PUSD School District's call. If the school calls a two-hour delay or closes, we will follow suit. Above all we ask you to use caution before driving in winter weather. Many of us live at varying altitudes and we would rather you be safe than risk the drive! If for whatever reason we ever have to cancel services on Sunday, Pastor Mark will send out an email early in the morning.
