

RED BIRD MISSION TRIP

Sunday, June 2 to Friday, June 7, 2024

Please join us as we travel to Kentucky to work at the Red Bird Mission, serving the people in Eastern Kentucky deep in the Appalachian Mountains. The scenery is beautiful but the rugged mountains make for little employment and extreme poverty, making the area among the 20 poorest counties in the entire country.

Founded with just a school in 1921, Red Bird Mission has grown into a full-service mission of the United Methodist Church, the only one of its kind in the United States. It serves approximately 14,000 people each year. The large main campus includes the Redbird Christian School K-12, health clinics, thrift store, community outreach, large work camp with dining hall and cabins, volunteer quarters, several residences for mission directors, a volunteer fire department, along with storage and maintenance facilities.

We will be doing work and community projects during our stay, which vary according to the abilities of our group. This trip is \$500 per person (*members of Calvary are just \$333*), which includes your roundtrip transportation by van, along with meals and lodging at Redbird. Deposits of \$200 are due by April. Please invite your friends!

Make checks payable to "Calvary UMC" with "Red Bird 2024" in the memo line and mail to Nancy Flint, Calvary UMC, 4700 Locust Lane, Harrisburg, PA 17109. Please include your contact information with name, phone and email.

For more information, please contact Dyan Yingst at
