#TargetPractice: What does the Kingdom of God look like?

Think about the beginning of creation in the Garden of Eden. What do you think it would look and be like? (peace, harmony, no worries, no stress, ….)

What happened after Adam and Eve ate from the Tree of Knowledge of Good and Evil (DIY)? They were kicked out of the garden and sin entered the world. What kinds of things started happening? (jealousy, competition, cheating, lying, murder, selfishness, ….Cain/Abel, Jacob/Esau, Goliath, Delilah, pharoah, ….)

The human natural behaviors became self centered. Thinking of others and their needs is a harder thing to do. Jesus came to earth to show us how live our lives thinking of others' needs not only helps them but also helps us and makes everyone's lives better.

Make a list of how God's Kingdom is upside down from what is a natural reaction or action
