

# Wellspring

moving forward on climate justice

**When:** April 11th, 9:30 am-2:00pm

**Where:** Northwood United Church

**Cost:** \$25 (subsidized tickets available)

On April 11th join us for a day of learning, sharing stories and developing strategies to create climate justice.

- How can we as congregations help put an end to fossil fuel dependence?
- How does climate change affect our local and global communities?
- How do we go beyond efficient lightbulbs and re-usable grocery bags to make a lasting and deep change?

If these are questions you wrestle with then this event is for you!

The day will include keynotes from **Greg Powell**, a United Church minister who spearheaded the divestment campaign at Trinity St. Paul's United Church in Toronto and from **Christine Boyle**, the director of 'Spirited Social Change' and 'Fossil Free Faith: Canada's Interfaith Divestment Network.'
