¹ S7.21.B17 Voting members from congregations shall be as follows:

- Congregations with 175 or less baptized members may have two voting members but will be considered to have full representation if they have only one voting member.
- Congregations with 176-750 baptized members shall have two voting members.
- Congregations with more than 751 baptized members shall have two voting members and may elect one additional voting member for each 500 baptized members over 751.
- Voting members from each congregation shall be equally divided between males and females. When there is an uneven number, the difference between men and women shall be no more than one.
- Each congregation may, in addition to the lay voting members described in a., b., and c. above, have a voting member who is a voting member of the congregation who is a youth or a young adult as those terms are defined in ¶S6.04.02.
