

### **Coldest Night of the Year Walk 2024**

As many of you are aware, a team of walkers from St. Paul's and St. James ventured out at 5pm on Saturday Feb 23 for the Coldest Night Walk.

It was indeed a cool evening...but we all made it through the walk. The bright sun greeted us and warmed our hearts despite the cool wind/air.

I thought it was a an appropriate time for it to be cold. To remind us why we are doing this walk...to help those who have no shelter and not food or warmth day after day.

The walk was in support of the Connections Centre and Shelterlink.

**We can proudly say that our team raised, as of time of writing this (Feb 26), nearly \$9,300.**

We remained in 4<sup>th</sup> place, after an amazing effort from other teams. Stratford raised over \$203,000... well over their goal of \$180,000. Stratford was 4<sup>th</sup> overall for all the walks across Canada. Nationally, our team stands at 144 out of 6,323 teams. I'd call that pretty freakin' awesome!

Thank you to each of you for your support to each and every team member. Without the support of many, we couldn't have raised such a large amount.

Our team consisted of Tom Patterson, Nancy McCallum, Jane Foster, Eileen Bart (St. Paul's), Karin Mussen, Nancy Adams, Lori Colbeck, Kristin Fox, Trish Taylor, Rob, Rebekah and Jacob Lemon, Tanya and Wade Phibbs.

At the walk, they reminded us that the walk for 2025 is February 22nd, mark the date down and consider joining us next year.

Thanks again to all walkers and those donating money to help out.

Many blessings,  
Wade Phibbs
