Office Notes

Lent is the 40 day period where we draw closer to God in the lead up to Easter. Easter falls on the last day of March this year. So we have the whole month to lead up to the point where our savior died for us. I find the concept that God loved us so much that he gave us his only son hard to fully grasp sometimes. For those that have kids, I find it so unimaginable giving up something that means so much to you. God did that for us. I would like to say that again, God did that for us. The second part I find incomprehensible is that Jesus died for our sin. Our sin, not his.

I will be blunt, we all make mistakes and we have all sinned. Since, God's love has no bounds, he sent his son for them.

2 Corinthians 5:21: "God made him who had no sin to be sin for us, so that in him we might become the righteousness of God." 1 Peter 2:24: "He himself bore our sins' in his body on the cross, so that we might die to sins and live for righteousness; 'by his wounds you have been healed.

I pray that we see and feel the weight of what God and Jesus did for us. I pray that during this time we see you and come closer to you. I pray to thank you for what you have done for us, no matter how undeserving we are.

Amen

I will close this by saying writing these notes are not the easiest all the time. To figure out what to write can be challenging for whoever does it. One thing that has stuck in my head that I have heard multiple times the last few months is pray daily, God likes to hear your voice. If you have a hard time figuring out where to start like I do when I write these, lets start with praying daily. One small step.
