Attention Puzzlers!

Drop off your used one, and pick up a new one anytime the library is open, no need to let the librarian know, the puzzles will not be checked out like books. If you have any questions, please contact Jenine Lewis.

Prayer
Missions
Our March Missionaries of the Month are J & B who ask us to pray with them Psalm 67 over the nations of the Middle East: (1) to know God and His ways, (2) to know God's salvation, (3) to be glad, rejoice, and sing God's praises, and (4) to fear God.

Patchakan, Belize – Ray and Michele Call are celebrating their 25th anniversary in vocational ministry. You can read a list of some of the precious lessons they have learned over the years in their latest "Call to Prayer" letter, found on our Missions Wall. As you read the list, praise God for His wisdom which has led them and His gracious hand which has held them. Pray that the Saints in Belize will grow strong in their faith and that God would provide additional mature Deacons and Pastors to lead the several churches in their presbytery. (callmissionaries.org)

Gainesville, Florida – Pray for Jon and Katie Bonker as they continue to open their home to their international student friends for Family Group Fridays. Pray that the Holy Spirit will work in the hearts of these students as they experience Christian hospitality, read and discuss the Gospel of John, and play some games. Continue to ask God to give Jon courage and wisdom as he meets students on campus. Jon (jonbonker@swissmail.org) Katie (recipientofgrace@gmail.com)

Community
The H.O.M.E. Committee has a webpage on the New Life website with up-to-date ministry opportunities. Check out the ministry partners and ways you can participate @ newlifelamesa.org/h-o-m-e

HOME COMMITTEE Prayer & Praise
The HOME Committee is uploading newsletters and requests for help from some of our ministry partners: Hope for San Diego, San Diego Food Bank, Servant Church, and CAPS onto our webpage: Body Life - HOME Committee. Please check these out frequently and pray for ways we can assist our partners in alleviating suffering among our neighbors.

From Servant Church
A couple more neighbor families have been affected by the flood:
1) one family needs bedroom and living room furniture. Any donations that are new or in good condition would be much appreciated.
2) One elderly woman needs drywall replacement and painting. Pastor Chris hopes to have a group of men, preferably with experience, help on the weekend of March 16-17. Contact Chris at csandoval77@gmail.com

From the San Diego Food Bank
The San Diego Food Bank quickly mobilized to help approximately 6,000 families impacted by recent flooding. The programs and operations team successfully distributed vital resources, including staff and volunteer support, to immediately provide more than 240,000 pounds of food, including more than 174,000 pounds of fresh produce along with other supplies such as diapers and bottled water. These essential resources were distributed at several emergency pop-up distribution locations.

Check our website under Body Life-HOME Committee for the most recent newsletters from San Diego Food Bank, CAPS, and Hope for San Diego.
