Women's Connect and Grow will be gathering this Tuesday, Mar.26th at 6:30pm in the chapel. We will be continuing our study on "A Confident Heart". This week we will be discussing Chapter 5: Living Beyond The Shadow Of My Doubts. This study has been very transformative, and has encouraged lots of personal discussions. This journey of life was meant to be done with others, and that is exactly what this group of ladies is doing, journeying together.

Our next youth gathering is happening Thursday, Mar.28th at 7pm in the gym at the NRCC building. Did you know that even though your blood is red, it's mostly composed of a straw-coloured component called Plasma? This "liquid gold" has a special place in Canada's blood system and helps in treatments for people with rare neurological disorders and supports those battling cancer. Giving blood plasma is another practical way we can live out the love of God and Canadian Blood Services is having an Easter Blood Drive! Check out more details at blood.ca/vaughan

PRAISE + PRAYER ITEMS:

Here are a few items we can focus on today to help express our faith by joining in praise and prayer.

God's word says:

Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours. Mark 11:24 (ESV)

- > Please pray for Will, as he continues to recover from his shoulder replacement surgery.
- > Please continue to pray for Chloe, and her complete healing of cancer and alleviation of pain.
- > Please pray for Lillian, as she recovers from her Tavi Heart Procedure.
- > Please pray for Zubair and Mansoor, the 2 brothers we are trying to sponsor from Turkey. Pray for their continued safety and that God would make a way for them to come here.
- > Please pray for a young mom in Les's school battling with stage 4 cancer. She has 2 young boys in kindergarten and grade 4. She has been told the end is near. Let's believe together for a miracle for this family.
- > Please continue to pray for Reta as she ministers in her hometown of Richmond Jamaica with ROC Min. Pray for stability in her health and for continued wisdom as she serves. Also for her brother Howard as he recovers from his back surgery.
- > Please pray for Kelly Martin, as she continues to heal, and for Jason as he journeys along side her.
- > Let's continue to pray for KCA/KELC staff, students and families. These are ministries of Nashville and we are excited to continue building relationships with KCA and KELC.
- > Who do you see and interact with each day that you can pray for? Is there a way you can show them God's love in other practical ways? What will love look like when you live it out?

> Continuing in Prayer:

- > Continue praying for Lee's brother Michael, as he continues with his cancer treatments.
- > Continue praying for Wesley, as he continues with his chemo treatments.
- > Continue praying for Jamil, as he continues to live with his chronic disease. Pray for complete healing of his condition.
- > Continue praying for Les Kennedy's mom Hazel, who is struggling with a number of health issues.
- > Continue praying for Charissa Redlich's mom and dad - Stan and Donna Fowler as Stan continues rehabilitation from his stroke. Please remember Charissa as she continues to support and care for them both during this season.

> What are some areas of need in your life or in the lives of others that you can bring to God in faith?

It's a privilege to pray for each other. When you have an item for praise or prayer to share with our Nashville Road family - [you can click here to share a praise or prayer request from our church website](#)
