Prayer

Missions

Our **March Missionaries of the Month** are **Johnathan and Beka,** who with their two youngest children, Andrew and Josiah, are preparing to move back to the Middle East after 14 years of refugee ministry stateside. They will be partnering with the Evangelical church in Lebanon to disciple, train, and provide theological education for future pastors and their wives from Lebanese and Syrian backgrounds. Pray for protection for the 50+ church plants in the area. Pray the pastors will grow in their own faith and in their understanding of the Gospel and the whole counsel of God. Pray the leaders and all the believers will walk in holiness and the truth and that God will protect them from division and error. Ask the Good Shepherd to keep out the many wolves who are already trying to get into the sheepfold. Pray for the mother church, Resurrection Church, as they guide this movement and provide training and oversight. Pray for the team as they support the church. Pick up a copy of J&B's latest news and read how they and their youngest children need prepare for their next assignment. (untillallshallhear@swissmail.org)

Nakaale, Uganda – Praise the Lord for His timely provision of Pastor Julius's ordination into the position of pastor of Nakaale Presbyterian Church. Praise him also for the arrival and joyful settling-in of the Grimsley family, and for some time for Chloe to get some basic Karimojong language training with the new Nakaale team members before the Verdicks leave for their long-awaited 6-month furlough in the US and with us at New Life. The San Diego Rescue Mission just bought a property on Euclid Ave. in National City. It should be completed next month and open for business by summer, housing up to 90 men, 60 women, and several families for a 30-day transition to more permanent housing. It is the third of four Navigation Centers that SDRM is developing around the county. Pray for timely completion and adequate staffing. Pray also that they would be able to open on time and meet many needs in the community.
