Sermon Based Questions

- What from the message encouraged you/challenged you the most?
- Read 1 Samuel 30:1-6. Like David, we can all feel alone, afraid, or in despair at times. But when we need strength and no one else is there, sometimes we have to strengthen ourselves. We need to use what strength we have to seek God and move forward, even if His direction isn't what we expect.
    - Are you someone who is good at self-motivating, or do you need motivation from others?
    - What area of your life do you feel like you need help strengthening yourself in?
    - What can you do this week to seek God and move forward in strength?
- Read Ephesians 6:10-13. God has equipped us with all we need to fight the enemy who wants to steal our peace and our hope. Being tired is a part of life, but it can't be an excuse to not do what we need to. We have to learn how to fight when we're tired.
    - What kind of tiredness have you been experiencing lately (overscheduled, consequences of stupid decisions, a season of life, etc.), and what has the enemy tried to take from you through this tiredness?
- Read 1 Chronicles 28:10. "The Lord has chosen you. Be strong and do the work." Though we sometimes feel tired and discouraged, we need to be strong and do the work God has called us to. Strength comes as we move forward.
    - Reflect on the fact that you are chosen. Describe how this reality can affect your approach to difficult situations.
    - "The strength you're going to need tomorrow is in the work you will do today." What can you commit to doing today to prepare for what God has chosen you to do?
