Mother's Day 2024
On Sunday we had some women from our church family share stories and insights through a special Mother's Day panel. They discussed how support networks and shared experiences shape their journey as mothers, highlighting the vital role of community.

Ice Breaker
What's the most valuable lesson your mother or a mother figure has taught you?

Discussion Questions
1. What stuck out to you in what was shared on Sunday? Did you relate to anything said or have your own personal experiences about community you want to share?

2. What's one thing you appreciate most about a community you belong to, and why does it hold significance for you? And what is something you desire to see more in community?

3. Read: 1 Thessalonians 5:11, Galatians 6:2, & Hebrews 10:24-25. What stands out to you in these passages? What are some of the key points that help direct us to be better at community?

4. What are some ways that we can create a stronger or better sense of community?

Moving Forward
Where are you at with community? Is it time to dig in more? Or be more vulnerable? Do you help engage others in joining in community? Spend time sharing and praying for one another.
