New Parament Dedication—June 1 & 2, 2024

"This parament symbolizes diversity and imperfection of our humanity against a solid background of God's grace.

As members of the body of Christ, we as individuals are all unique. Together, however, we form a beautiful collage.

As the ebb and flow of life curves us and moves us, God's constant grace supports and surrounds us."

Gonnie Tromp and Kathy Basler, 2024
