REMINDER OF LAST WEEK

Preacher: Brother Freeman

Scripture: Ephesians 1 : 15 - 18

Title: Salvation - The Joy of Knowing (Series) - The Joy of Your Salvation

MESSAGE

Have you ever questioned your Salvation or the validity of the scriptures? When someone asks have you been saved or not, hopefully you will have some certainty. The more that you grow the more you are able to see the depth of Scripture.

"BECOMING WHO YOU ARE". They were having problems being who they were supposed to be. Paul was praying for them to become who they really are. We need to be who we claim we are.

Key Truth:

Some things are too important TO NOT KNOW!"

People today don't really know what a Christian is. A lot of our misery as a Christian is based upon that to which we will not hold to. (i.e. not practicing those things that we ought to know).

What are the spiritual realities that we all need to know? Our minds get so tied up with other things (going to work, friends, & other good things), which can keep us from seeing God. There are some spiritual realities we need to hold onto especially when things get hard. Spiritual realities that you know and put into practice. We need to know Him.
