MESSAGE

Christians walk by faith. (Faith based on scripture.) God still speaks to His people. (Everytime you open up the Book God is speaking to us.) God still guides His people. (If we submit to His will we will be in paradise.) God still blesses His people. (Start appreciating what God has given us instead of constantly asking for stuff. He will bless the congregation if everyone is doing their part.) When people unite under a common cause you can turn the world upside down. We have to get out of our comfort zone. We impact people and lead them to God when we act how God instructs us.
