## MESSAGE

We've all felt inadequate and thought we should be better. God knows us through & through, He loves us anyway. Our days are numbered but our souls are everlasting in God.

Chapter 103 reveals God's compassion. He loves and helps the needy (v. 6). God gives mercy to those who don't deserve it (v. 8). He tempers his wrath. He has not dealt with us according to our sins (v. 9).

God is more ready to forgive us than we are to forgive ourselves. When we fall he lifts us up. When we disappoint him he still calls us children. He forgives all our sins. God's love is greater than the universe. When God forgives us, our sins are as far from us as the East is from the West. We must remember our sins but we can't let them control us. God has given us grace and we have been given a part of the spirit of God.
