All Hallows Friendly House

This household celebrates All Hallow Tide - Halloween, All Saints and All Souls days.

We welcome those who travel from door to door and offer sweets as refreshment.

Trick-or-treating comes from ‘Souling’ Christians in the Middle Ages.

They travelled about praying at households who left candles burning to show they were mourning someone who had died.

They would be given ‘soul cakes’ & other treats as a thank you.

So, thank you for visiting

& please thank God for our dearly departed who are now at rest.
