Part 1: Fearless
It seems like every other day there is another life-altering event that brings uncertainty. Another reason to be afraid of the future and worried about today. But Jesus offers us a path away from fear, a meaningful life that is rooted in Him.

Discussion Questions
1. Is there a big, or small, fear you're comfortable sharing with the group? What makes you fearful of that thing, circumstance, etc?

2. What are the ways you cope with fear? For example, do you avoid or embrace it?

3. Read John 14:15-27. What stands out to you about what Jesus is saying to His disciples? Do you think these words would have been confusing for the disciples to hear? In what ways does Jesus comfort His disciples? Are these still comforting to us today?

4. Mark shared three ways we can cope with our fears (scripture, prayer, and community). What have been your experiences of these in the past? Which way might you be open to trying?

Moving Forward
We heard Mark talk about how fear is different from faith and love, and even the fear of God. Share with each other about which of these areas we find the most comforting. How can you encourage each other in these things? Is there a way you can support each other through the things in life that scare us?
