

Hello everyone,

As the end of year approaches, we hope you are doing well! We will be writing up a year-end update soon - it's been such a wonderful year with lots of new beginnings! If you're on our prayer network update list, you're already a bit in the loop, and if you're not, we'll fill you in in the next couple of weeks. If you're interested in being put on this list, just let us know. The more prayer support the better!!

This particular email is actually to let you know about a particular project for Feb/March of 2025, and we're reaching out to let you know of an opportunity to help us as the end of the year approaches.

This coming winter, we're thrilled to tell you that we'll be heading to Senegal (West Africa) to do a pastoral visit to a wonderful family who we, as YWAM Dunham, have sent out to pioneer a new YWAM location with a whole team of other Western Africans. Check out this short video giving a brief overview of what they're doing there: <https://www.youtube.com/watch?v=7C7lo4-WM2w>. It's such amazing and encouraging work, though they are far from family and friends and pioneering a new project such as this is tremendously hard work! We'll be heading over there for a few weeks as representatives of YWAM Dunham to bring encouragement and support as they dig in their heels in and persevere in sharing the gospel, caring for the poor and training new believers in Western Africa.

We are letting you know of this now, and asking if you would consider helping sponsor some of the cost of the trip? We don't yet have tickets, but it's looking like it will be in the \$4000 range including lots of local travel to get from the Dakar airport to their location in Fanda.

Good news: For the month of December (**until December 20th**), Project Funding, who processes our donations, is waiving all administrative fees and so 100% of every donation will go directly to us. If you are looking to support a project in this end-of-year season, would you consider helping us on this trip and making the most of this opportunity? We would appreciate it greatly! You can find more info and how to donate here:

<https://yprojectfunding.com/2024yegb> . We will give you more info and updates in the new year. We look forward to partnering with you in this way!

Have a beautiful December and we'll be in touch soon! Lots of love from Dunham,

Sarah and Dan
