

Edge Student Ministries exists to be a place where following Jesus is not only taught but caught—where students learn to live out their faith by joining Jesus, going outside, and making disciples.

EDGE STUDENTS

March/April

As we step into spring, Edge Student Ministries has wrapped up our identity series in Genesis and are now walking through Galatians, focusing on the Fruit of the Spirit. If our identity is founded in Christ, then the fruit we bear is how we live that out—growing in love, joy, peace, patience, and more. Our prayer is that students wouldn't just know who they are in Christ but would actively grow and go, living out their faith wherever God has them.

We're also looking ahead—54 students are signed up for camp! June will be here before we know it, and we can't wait to see how God moves. Be on the lookout for camp parent meeting details coming soon to help you prepare.

And before the school year wraps up, don't forget to mark your calendars for our End of School Bash on May 18th! It's going to be an incredible night to celebrate all God has done this year. It's been amazing to watch God work in the lives of our students. He is raising up students who are reaching the lost, serving the church, and encouraging all of us to go and be the church together.

How you Can join us in praying:

- **That students lean into God's Word and apply it to their lives.**
- **For camp—that students would see Jesus clearly and grow in lasting faith.**
- **For students stepping into serving and leading, that they would embrace the mission of making disciples.**

With so much going on, it can be hard to slow down and really connect with your student. One simple, powerful question to keep in your back pocket is:

“What's on your mind?”

It's an easy way to open the door for honest conversation and helps you hear what they're really thinking. This simple question can lead to meaningful moments and deeper discipleship right in the middle of everyday life.
