MISSION MOMENT: SUNDAY, MARCH 9

Did you know that gifts to Presbyterians Sharing provide the foundation for what we do together as the PCC? Through our gifts, we provide funding for ministries with vulnerable people and appeal to governments to take action and prioritize funding to protect our planet, stop racism and discrimination, eliminate poverty and more. We equip leaders through theological colleges, conferences and webinars. Coaches and mentors walk alongside congregations as they seek out new directions. Grants help launch new faith communities and renew established ones. We work with international partners to share the good news of Christ. We speak up for children's rights and the protection of refugees, asylum seekers, migrant workers and their families. We provide spaces for Indigenous and non-Indigenous people to walk together on a journey of healing and reconciliation. Together, we are working to build a church where all are welcome.
