

David and I requested a counsel meeting with Jonathan, Albert, Lydia, and others.

David began, "I see our book [the book of Sandhills Ecclesia]. It has been handed to us. Lydia<sup>1</sup> has just come in. And she's saying, "David, the Father is excited about Sandhills Ecclesia, and the momentum that it has been given. In fact, the momentum will increase in the days ahead and the resources will also increase in like manner as we need. George<sup>2</sup> agreed.

Remember to keep the flow of the Holy Spirit and the will of the Father—what is His desire to sup with and commune with His son? The revelatory flow is the pulse of the father's desire for Sandhills Ecclesia.

This last Sunday was an example of how He wants to flow amid His children. There will be an increase of His presence as you all wait on Him, as He manifest His glory. His might, and His power will be demonstrated greatly.

As you know, Ezekiel captured the plan of the enemy that had launched an all-out attack against you. The frequencies have been cleared. The frequencies have been cleared for takeoff, and explosion, and manifestation like you have never known, but it is already ordained before the world began.

Lydia is smiling right now and she's laughing with joy. She said, "All of Heaven is cheering you on. We who have been assigned to you—to Sandhills Ecclesia are rejoicing and celebrating with you for the Father has given us a glimpse of His intended outcome."

Georgia stood and began speaking, "The currency angels had been assigned to release the wealth, and the property, the land, and the deed. They are already stationed at the appointed place. They have been assigned at the gates that will bring [the provision]. David said, "I just saw two gates open. I can see what looks like Brinks trucks. I heard say it. I heard George say, 'Say it'."

"So, continue to enter the rest that the Father has spoken of and has given you, It is a place of ease and a place of peace knowing that your Father has everything in store in place and ordained. All things will be executed and delivered in the Father's timetable. I see the book [of Sandhills Ecclesia] and the pages are changing colors. Like strobe lights into multiple colors."

"George, what does this mean? David asked.

George replied, "What you see is the covenant of the Father with Sandhills Ecclesia. The colors are alive. They're vibrant. They're moving. They're vibrating."

David noted, "Now our book is back to purple that it was initially. So, the pages were really alive."

"Yes, George replied, "The pages, the information, the revelation, the life, the flow of the Father, the intent of the Father, the will of the Father, the heart of the Father, the vision of the Father is all included and written in your book. It is His pleasure to give you the Kingdom because you have proven to be trustworthy, and you have stewarded what you have been given and it pleases Him."

George then just tilted his hat on of his head, turned, and walked away.

David then asked those in attendance concerning the plans for Sunday. He said, "Any plans for Sunday?"

Lydia replied, "Go deeper into the revelation of the Glory. There's more that the Father wants to release and unfold to those who will be present. Teach the people that it's in the Glory of the Father that they are to dwell. It is in your DNA. Remember that you carry the DNA of the Father. So, when He breathed into Adam, He breathed into the DNA in Adam and this revelation, this awareness that the Father desires to bring back in the earth through the manifestation of His sons, that which has been hidden regarding the Glory of the Father. He has now chosen this to be released in this hour.

"Take hold, steward, possess the revelatory life that comes with the Glory of the Father. Impart and train. Pull. Draw out. For it is waiting to be released.

"You have used the term Heaven on earth, and now you shall experience it in greater measures and with understandings."

.....

Malcolm<sup>3</sup> just appeared.

David asked, "Malcolm, what do you have for us?"

Malcolm said, "Tell Ron that there are three books that will be released before June. They are already in His spirit, and they are sequels. He will know in the next few days when to release them."

David then described what he was seeing, "I see Ron doing this, when to release this one, when to release this one, and when to release this one. It looks like a sequel or another book to the LHS or another part to it."

I heard Malcolm say, 'There will be a book on the celestial court'.

Malcolm continued, "The Father says, "I have called Ron to the nations. And he must teach not just the local ecclesia, but I have called him and mantled him to teach the nations of your world."

David interjected, "I see Malcolm putting a gold quill-like a feather gold feather in your hand, Ron and I can see what looks like old scrolls and you are writing."

Malcolm concluded saying, "That's it for now. That's it for now?"

David replied, "Thanks Malcolm."

David then explained, "Ezekiel<sup>4</sup> is standing here not laughing, but with a smile. Like he has a look of agreement on his face. He handed us a box." He said, "Take the lid off."

<sup>3</sup> Malcolm is a man in white who advises our ministry.

<sup>4</sup> Ezekiel is the chief angel assigned to our ministry.

David asked, "What is in the box. Ezekiel replied, "What do they look like? They look like books—like volumes. They look like volumes, not just regular books."

Ezekiel replied, "These are Books of Wisdom. Ron, you have been given the Books of the Wisdom of Solomon. The Father releases this today and the spirit of wisdom, one of the Seven Spirits of God, that God releases for you to navigate seamlessly. For you are beginning a new season and the [FTP] class that starts [the following week], you will pour out wisdom into this new class. There will be things that you would share with this class that you were not allowed to share prior to this time for you are in a different place.

Continuing, Ezekiel said, "Come on my friend, come on, you've got this. There's great acceleration for LifeSpring and Sandhills Ecclesia. My troops have increased, and we need more weapons, and artillery, we need weapons for [dealing with] a water spirit. I want a greater commissioning from Ron My commanders and ranks have been added to. Many have upgraded in rank."

Ron began a request of the Father, "Father, I would request on behalf of Ezekiel, his commanders, and ranks: weaponry, artillery, cannons, harpoons, water cannons, water guns, arrows, cross bows, swords, spears, javelins, short swords, long swords, long bows, all the weaponry that he needs. We thank you Father for that. We thank you for weaponry, for dealing with water spirits.

"We commission you, your commanders, and your ranks to the full use of these weapons for the glory of God, for the ultimate and utter defeat of the enemy's kingdoms, his realms, and his dominions, in Jesus' name.

"We commission you to guard the books, the volume of wisdom that have been granted to me.

"We commend you to the Father for your good service to the ministry.

"We commission you regarding those that have been newly added to the team in recent days, that you would encompass them about with an absolute knowledge of the presence of the angels of the Lord in their midst. We request that you erect shields about them, their homes, their businesses, their finances, all things that affect them, particularly their health in this season. Thank you for protection for all, all those on the team, and all those coming to the Florida conference.

"We commission you to bring forth and release angels to minister protection and provision and release from fear concerning travel or concerning meeting together during February at Safe House Church in Fort Myers, Florida, we commission you to work with Aprile and Chad and their angels and the angels of that house, the angels of Frank Sumrall and his wife in Jesus' mighty name.

"We commission you to work with the angels of those assigned to come to this conference so that all come that are supposed to come and none come that is not written in the Books of Heaven about them Jesus' mighty name.

"We commissioning to arrange for safe travel, safe travel arrangements, safe housing arrangements, and to clear the houses and the properties where they'll be staying (hotel rooms or wherever) and all

necessary things, preparing the way for them and preparing Courts of Favor in their behalf as they get favor with their arrangements, with their travel, those sorts of things in Jesus' mighty name.

"We also commission you to work with the currency angels bring forth the provision needed during this season and worked together to bring the funds assigned to this house, to this ministry, to Sandhills Ecclesia, to LifeSpring International Ministries and to those involved in Jesus' name.

"We commission you to help fulfill the assignments of that money that is destined into our hands to be distributed again into the Kingdom in Jesus' name, and on behalf of the Kingdom and for the glory of the Father in Jesus' name."

David noted what he was seeing happening to Ezekiel as the commissions were given. "As Ron was doing that, I could see Ezekiel as if he were growing up. Like he was lifting weights, like he was bulking up.

"I don't know if he is gold for this is my first time really seeing him, but it was like the more you talked about the Glory, the more golden his appearance became. It was as if he, his commanders, and ranks were being super charged."

With that concluded, Ezekiel was gone. We were left to ponder the engagement of Heaven for this day.
