The Chronicles of Kings

#7—Photobombing God

Isaiah 42:8; 2 Chronicles 26:1-23

#1—Beware when the battle within is greater than the battle without.

#2—Beware when you are tempted to use God's blessings as your birthright and building blocks.

#3—Beware when the Lord's reproofs are resisted instead of respected.

#4—Beware when the consequences of sin no longer bring fear.

H.O.M.E. Group Discussion Questions

1. Talk about a time when you were photobombed or when you did that to someone.
2. Read Isaiah 42:8. Why do you think the glory of God is such a big deal?
3. Read the story of Uzziah in 1 Chronicles 26. What insights and questions do you have?
4. Take some time and make a list of God's faithful blessings in your life, read James 1:17, and then express your gratitude to Him.
5. If there are areas in your life and ministry where you have been or are tempted to photobomb the Lord … confess these, give the Lord credit, and practice humility.
