

2nd Commandment  
Exodus 20:4-6

1. Do you see Christian culture bowing down to images of God? If so where?
2. How do we try to get God to fit inside the box of our lives? What are some of the ways we try to do that?
3. How do you think the Israelites were able to forget what God just told them some 40 days ago (The giving of the law)? How does that match up to you and I living today?
4. How do we give God the glory he deserves when it comes to worship? Are we ever entitled to worship false gods?
5. How are you strengthening the faith of the next generation? What are some challenges that get in the way of this?
6. In your mind, how does Jesus fulfill the 2nd commandment? (Colossians 1:15, Hebrews 1:3) What are some practical things that we would take away from this conclusion?
7. What spiritual practices have you tried in the past or are currently doing that have helped you grow in your relationship with Jesus?
8. How do you think we as a local body of believers, are doing at following the Regulative Principle (Worshiping God the way God demands according to Scripture)? What are some things that might get in our way?
9. Do you have trouble in your walk with the Lord separating worship with entertainment? Do images of Jesus, from the tv or movie screen, flow into your mind when you're actively worshiping God? If so, do you believe you are breaking the 2nd commandment when this happens?
