Title: 2025 Sermon Series - Spiritual Warfare - We Can Overcome

MESSAGE

V1 Try = to test → Be careful what you listen to. Is it of God or man? Test every spirit whether they are of God because many false prophets are going out into the world. **V2** We can know what the Spirit of God is because it will bring forth things that are of God. Jesus has to be the center of the conversation to help you with your personal Warfare. Everyone who continues to confess that Jesus *is come* in the flesh is of God. **Confess** = admitting that I did wrong. **V3** If they don't confess that Jesus came to the World, they are not of God. **Anti-Christ** = One who is against God. **V4** You've overcome them. All of us are little Children to the Lord. Children are in a state of dependency. What do I need to be like a child? To overcome what is going on around you, you need something in you & your spirit that is controlling you, the Spirit of God **Eph. 6**. "Greater is He that is in you" → a controlling influence. If you allow what is outside of you to control you, that is of man (not God). Christianity is not a group thing. There should be enough single-minded people who can come together and encourage each other.

Do you believe that greater is He in you than that of he in the World?
