How did We Get the Bible?

April 30, 2025

1

The books of the Bible had over 40 human authors, spanning about 2100 years.

9

But there is a unity in the Bible because God is the main author

10

Hebrew Bible

- Hebrew Bible divided into 3 parts
  - Law, Prophets and the Writings

14

How many scrolls were needed to contain the entire Jewish Bible?

18

Masoretic Text completed in 10th Century AD

22

There are about
5,800 New Testament Greek
manuscripts

27

Earliest manuscript is p52
dated to A.D. 100-125

28

The God-breathed Scriptures are wholly true in all things that they assert in the original autographs and therefore function with the authority of God's own words.
