January 2025, the 20th Year of Choose Life Ministries

Not a new beginning, but a continuation of the journey.

Therefore, since we have this ministry, as we have received mercy, we do not lose heart"
2nd Corinthians 4:1

We Praise God for His Hand of Protection and for the Healing that has Begun.

On November 12, 2024, we were in a major car accident that totaled our car. Doug suffered a broken sternum and Joli tore the muscles across her sternum and chest. Joli had to have trauma surgery and spent three days in the ICU.

We are thankful to God for His hands that hold us in His care. We thank you all for your prayers. The car that we hit had pulled across right in front of us, and we did not even have a chance to use our breaks before impact.

We Praise God for His Provision.

God provide the vehicles we needed at just the right time. The car that was totaled was a 2000 Honda Civic, that Joli was given in 2017 while taking a short break from traveling. In 2023, our Ford Flex we used for our travels could no longer make the long trips and we were given a donation to buy a 2020 Subaru Outback. We are so thankful that it was not the Subaru that was totaled and therefore we have what we need for our travels to nine states in 2025.

We Praise God for Open Doors.

PRAY for these schools where Joli will be sharing in March of this year:
Barnes Academy in Hartwell, Georgia and **Corinth Christian Academy** in Jasper, FL.

In 2025, our calendar is full of opportunities to share the message of LIFE in Florida, North and South Carolina, Colorado, Indiana, Kentucky, Virginia, Tennessee and Georgia.

We praise God for those whose lives have been transformed.

PRAY FOR THE MARCH FOR LIFE

In March of last year we headed to Florida on a wing and a prayer and this year is no different. But how could we not go? We saw peoples' lives transformed including one lady who will be joining us in May, in Colorado, to share her powerful testimony of redemption. Glory to the Lamb of God who heals and restores, transforms, saves and redeems!

God is going to do great things in 2025. Our hope and prayer is to see revival in our land.
