#4—The Pillar of **AFFECTION**
Genesis 35:16-20

The Story of Jacob and Rachel can teach us a few lessons. Here are some we can ponder today:

1. Family relationships are never perfect.
2. How we treat others often comes back on us—sometimes worse.
3. It is possible to find love in some of the strangest places (like a well).
4. God is aware of our life situations and will move when He is ready.
5. When we get impatient and try to take things out of God's hands, it's never good.
6. Life is short and unpredictable, so we should be expressive in our worship and love.

THIS WEEK:

Read and pray over Genesis 35:16-20 until you can answer three questions:

- a) What did God say? (The meaning of the passage in your own words)
- b) What is God saying to you? (Specifically, what is God telling you to do?)
- c) What will you say about this passage to someone? (Think of one person)
