So what might we do with this....?

1.) Evaluation of your Inner Life

-Are you two-souled? Double-minded?
-Do you ask God for wisdom and skill to navigate the pressure you are in or do you just start "fixing it" in your own way.
-What areas of my thinking evidence fundamental distrust of God and the need to do my own thing?

2.) Training in your Family Life

-Make a list together of how wealthy we are in Christ.
-Ask for examples of how you have seen money doesn't satisfy.

3.) Pondering your Future Life

-Consider what it will mean to be blessed with real life in comparison to the pursuits of this life...
