GPA Missionary Mauricio Lopez, Puerto Rico Report

The López Family

May God continue to bless you, dear brothers and sisters. Receive warm greetings from Guayama, Puerto Rico. We want to share with you what God has been doing during these past four months.

Every year in February, we organize a Friendship Day activity with an evangelistic purpose. The brothers invite their relatives,

neighbors, and friends to hear the gospel message. Thank God, four families visited us that day.

In March, we took a trip and were blessed to visit Emmanuel Baptist Church in Atlanta, Georgia, for the second time. Mauricio had the opportunity to participate in the sermon and received the pleasant surprise of being included in their missions program.

In April, we had the great blessing of attending a retreat for pastoral families organized by a missionary group in Wisconsin. It was a time of great joy and encouragement as we received the teachings and fellowship with other pastoral families. In commemoration of God's great love, which was to send his Son to die for us, during Holy Week we had a time to reflect, draw closer to God, and remember the center of our faith through fasting and prayer. We also held a special Easter Sunday service with the theme "Families United at the Cross," as we know that many people who don't normally attend church are more open during this time, and it's an ideal time to invite them and give them a gospel witness.

In May, the women held a special meeting where they enjoyed a great time of edification through meditation on the Word and fellowship. It was a great blessing to have a visitor on this occasion. After completing her discipleship, one of the women decided to be baptized and become a member of the church. The men, in turn, had a truly blessed time attending a men's retreat titled "Be Faithful," held at a nearby Baptist church. There is one person who has occasionally attended church with us and is taking the discipleship course. We are praying for him to attend our congregation regularly. Every Friday we have youth meetings, and we thank God for his work in their lives. We continue to work on evangelism in different areas near our church. We recently completed a large area called San Felipe and had the great blessing of meeting people there who had heard the gospel, and we pray that God will continue to work in their lives. We also continue to visit brothers and sisters who, due to their health, have been unable to attend the congregation where we can encourage them and partake with them in the Lord's Supper.

Mauricio finished teaching his Pentateuch Class at the Baptist University College of Puerto Rico. Melanie continues to volunteer at Logos Baptist Seminary in the admissions department. It has been a blessing to see the different opportunities God has given us to serve Him. We deeply appreciate your prayers and support, which are truly an extension of God's love through you. May God reward you and fill you with joy as you see His work.
