

LOOKING FOR “LOST” BOOKS

Some of our library books seem to have “disappeared,” having been out for a loooong time! So, we would like to have ALL library books returned to the library briefly, in order to get an accurate accounting of what still is part of our collection. Some of

you may need to do some serious searching. . . . If you don’t remember what books you might need to be hunting for, contact Jeannette Frey. She has a list of books that haven’t visited the library recently. Please help us to be good stewards of our church resources.

We would love for you to get “lost” in these **new books!**
