

Greetings in the sovereign name of Jesus Christ,

The reported year, 2023, was an incredible year of unity and revival like no other. After outgrowing our previous facilities, KDYM moved to Tabor College and through the last three years of consistent growth, we are already approaching the need for yet another camp location since the previous year KDYM reached maximum capacity at the Tabor facilities. By the provision of God, Tabor has finished construction on a new state-of-the-art housing unit which was sufficient to house our girls grades 6-12. However, because of the growth year by year, we have now filled the boy's dorms beyond capacity, and so we are making strategic preparations to accommodate in the following years.

The theme for 2024 Senior Camp was "LET'S GO," and our students answered that call with a fervency in prayer and worship like we've never seen before. We were blessed with the ministry of Pastor Cortt Chavis in the evening services and received great instruction from bro Caleb Herring in the day sessions. We had many students filled with the Holy Ghost and campers used in the gifts and the fruit of the Spirit. Under the direction of Sis Becky Quintero the Kansas All-State Youth Choir led us in worship for both Heartland Camp and Family Camp, and God truly inhabited the praises of His people.

In August of 2024, the Kansas District also gave to the Move the Mission Offering a total of over \$22,000. This offering has testified of our unity as a district (with 100% cooperation). We would like to thank all of our pastors and churches who dug deep and gave out of a true heart of sacrifice. We also were set a record of students who qualified for Mission Mover status. Two young people Bella Quintero and Felicity Pittman both raised \$1,000 for move the mission independently, and Sis Felicity was selected to represent the Kansas District among the other district mission movers at Headquarters in St Louis! Your offering has gone both abroad to reach the uttermost parts of this world and home to help the evangelism of our own district!

In April of 2024, KDYM partnered with Pastor David Rangel Jr and Jesus Tent Revival to help facilitate the church launch in Emporia. During this event, students from all over the district came together and invaded the area with evangelism and great passion assisting those who put tremendous effort and vision towards creating the launch weekend! Our continued admiration and prayers are with the Rangel family as KDYM believes the seeds sown in abundance will likewise reap in abundance! There is now and will be, in the future, a mighty church in Emporia, Kansas.

Brothers and Sisters, we pray that we will continue to grow as leaders to serve our youth and pastors better and better, and we thank you for your support and example you set before us. We are excited to see what God has in store for us in the years ahead. Rest assured we have no intention of taking steps backwards. Holding fast the truth of the Apostolic Doctrine we will continue to press forward and occupy till He comes.

In the Love of Christ,

Dusty Young: Kansas District Youth President
