

Praise the lord,

I'm sorry that I was not able to be here with you person today, however I'm glad to be able to bring this update to you. I want to start by giving honor to our district board and leadership, and a sincere thank you to this Awesome NAM team. Your passion for the kingdom of God and seeing it advance is inspiring.

Since last July the NAM Department has been hard at work. Countless hours spent in prayer, in-person meetings, Phone calls, texts and Zooms to cultivate the vision of of Kansas NAM and how to achieve this great commission we have been called to as church planters. We strategized target cities and prayer points, ways to help encourage and prepare current and future

church planters of Kansas, and ways to meet the needs of church planters and their children. We also spent a lot of time building connections with fellow pastors and making ourselves available as a ready resource for our fellow church planters and those prayerfully considering beginning a work. We made every effort to make sure we attended and helped serve at church plant events such as the Church in the Park event in Manhattan and the tent revival in Emporia and more. A lot of time was also spent helping church plants get affiliated, funded and placed on NAM status.

I want to give a huge thank you to all those who gave and encouraged their congregations to give to Christmas for Christ this year. With your help and generosity we raised over \$19,000 for CFC

with the majority of churches giving an increase. You have sown seeds into the kingdom fields and I have no doubt you will see that increase in your local body. What that offering does for the church plants and the families of church planters is priceless and every application received this year was approved and those pastors are receiving funding. So thank you again for giving to CFC.

This is the part I am most apologetic for not being there in person to deliver, however after much prayer and consideration I have decided to tender my resignation as NAM Director. It's been an honor to serve you all in this capacity and I trust that another who has a burden to see churches planted all over Kansas will be prayerfully elected and the mission will continue to move forward.

**I love you all and appreciate all that you do
for the Kingdom of God.**

**Thank you,
Tim Waits**
