*Assisting local churches in establishing on-campus Bible studies*

### Jaxson's Corner

May has been a big month for me. I graduated high school on May 13th, then turned 18 on May 20th, and am leaving for a 9-week mission trip on May 24th. Big but good changes! Please pray with me for the mission trip. I will be traveling to help share the Gospel in the form of drama and storytelling. I am nervous and excited and looking forward to learning a lot. I believe this will be a life-changing trip. Pray that God will use this trip to reach many people.

Adios- Jaxson

### Busy Brayden

Hey, I recently learned that I need glasses. I thought it was normal for everything to be blurry! I can now see so clearly. It is helping me with my school and especially reading. I am excited to have a great summer! I love being in the water and eating popsicles.

Things to do!-Brayden

### Saved, Baptized, & Joining the Church

With the school year ending, we are sending off some amazing seniors that are going to impact their community for Jesus. Over the past school year, we saw the most students ever get saved, baptized, and join the church. **We had roughly 31 students call on Jesus Christ to save them!** The majority of these occurred during one-on-one conversations at the Campus House or the ECU Bible Study. There is such a hunger and desire to know the truth right now. Please continue to pray that God will connect us with students that desire to know the truth and that they will accept Him as their Savior.

God allowed us to see **6 students take their next step of baptism** this spring semester. Each one has a beautiful story of how God has worked in their lives. One of the young men came to us as an atheist. He started attending Bible study and also taking the Bible Certificate classes. Through working with him for a few months he called on Jesus to save him. Please pray with us that these students will continue to grow and that others who need to take this next step will.

### CFC Bible Certificate Graduates

The Bible Certificate program saw great success as we had the **privilege to graduate 10 students with their 1-Year Bible Certificate** in May. We already have students enrolled to pursue the 2-Year Advanced Bible Certificate and new students to start their 1-year Bible Certificate. We are also offering these classes online for students and people that are not able to attend the in-person classes. Please pray that God will continue to use these classes to equip people to know better what they believe and why they believe it.

### Prospective CFC Start-ups

Please pray for these campuses as they are seeking to start a CFC ministry. Pray that God will supply the requirements and provide favor with the school.
