Dear Praying Friend's;

Vicki and I are doing well, The Spring weather has made it possible to get a lot of chores done that have been neglected though the winter here at our home and also with the ministry. We have made several trips back and forth to Florida for meetings and to work on the house down there. During the snow blizzard (their calling it a once in a century) Pensacola had 8" of snow and several days of hard freezing weather, which left us with busted plumbing pipes. I have been able to get them all fixed and working, praise the Lord that's behind us.

I had ask you to pray for our Pass Port renewal in our last prayer letter, so we received the passports after a lengthy wait and they had spelled Vicki's name wrong on hers. Only the government can make you pay to fix their mistakes! But it's done and we have them in hand. Thank you for praying about this.

We recently was able to get a used electric pallet Jack for the print shop that was priced at a good price. It will help the men as they move materials all around the shop daily. As the Lord often does it, a church in Alabama found out about the need and paid for it. Thank the Lord again. Our meetings have carried us to Alabama, Florida, TN, GA, NC, VA and through out South Carolina as well, thank you for helping us out on the road for the Victory Baptist Press.

The printing of God's Word for World mission remains our constant burden and with your help soul's are being reached with the Gospel. If you don't support Victory Baptist Press, please make it a matter of prayer.
