WEEK - 1: ZOOM LENS

The term influencer has been added to our vocabulary because of social media. Influencers not only have a following on their social accounts but make a living through ads and sponsorships. Whether you're on social media or not, all of us have influencers in our lives.

Jesus had influence without Instagram, Tik Tok or Facebook. Through His personal zoom lens, He focused on people ... one at a time.

THINK ABOUT THESE ...

1. Zoom lenses like the ones on binoculars or on your phone give us the ability to focus on something in the midst of a vast landscape. Have you ever had a Zoom-Lens moment, where you focused on something specific in the middle of a larger situation or group of people?
2. **Read Luke Chapter 8** - With whom and how did Jesus use the one at a time Zoom-Lens to influence people?
 - What expectations do you think most of the people who followed Jesus had?
 - What questions come up when you read through this story?
 - How do you feel about the woman in the story?
How would you feel at that moment if your were Jairus?
3. What is your main - external and internal obstacle to being present and seeing others with a one at a time "Zoom Lens"?

THINKING REVOLUTIONARY ...

It may seem like Jesus was the only one with the ability to have a one at a time “Zoom Lens”, but He actually passed on that power to us through the Holy Spirit.

Here is a practical prayer to use this week:

Jesus, give me Your eyes for the one and help me to see people the way You see people. Amen.

READ AND THINK ABOUT THESE WORDS:

*“But Jesus said, “Someone touched me;
I know that power has gone out from me.”*

*Then the woman, seeing that she could not go unnoticed,
came trembling and fell at his feet.*

*In the presence of all the people, she told why she had touched
him and how she had been instantly healed.*

*Then he said to her,
‘Daughter, your faith has healed you. Go in peace.’”*
